INFORMATION ON THE RESULT OF THE PROCUREMENT PROCEDURE

REQUEST FOR QUOTATION NO. 01/07/2025

1. GENERAL INFORMATION

| | |
|-------------------------------|--|
| Contracting Authority: | Ekochem Sp. z o.o. |
| Order No.: | 01/07/2025 |
| Subject of the Order: | Purchase, delivery and installation of a blown film production line. |
| Project Number: | F/I/34-5 |
| Project Title: | Development of a range of innovative UV stabilizer masterbatches for plastics with the addition of recycled material. |
| Project Funding: | “Research and Implementation Fund 3.0”, implemented under Priority 1: European Funds for the growth of innovation and competitiveness of the region, Measure 1.1 Strengthening research and innovation potential, European Funds for Kujawsko-Pomorskie for the years 2021–2027. |

2. INFORMATION ON THE PUBLICATION OF THE REQUEST FOR QUOTATION

| | |
|--|---|
| Ministerial website: | Not applicable |
| Beneficiary's website: | https://wwekochem.com/zapytanie-ofertowe-nr-01-07-2025/ |
| Other (if applicable): | The request for quotation was also sent by email to three potential suppliers. |
| Date of publication of the request for quotation: | 1 July 2025 |
| Deadline for submission of offers: | 9 July 2025, 23:59 |
| Number of offers received: | In response to Request for Quotation No. 01/07/2025, three offers were submitted by potential contractors. After formal and technical verification, one offer was rejected due to failure to meet the minimum required technical parameters specified in the request for quotation. As a result, two offers were subject to the scoring evaluation. |

3. RESULT OF THE PROCEDURE

As part of the procedure conducted by EKOCHEM Sp. z o.o., in accordance with the rules specified in Request for Quotation No. 01/07/2025, aimed at selecting a contractor for the delivery and installation of a blown film production line within the project titled *“Development of a range of innovative UV stabilizer masterbatches for plastics with the addition of recycled material”*, the submitted offers were evaluated and the most advantageous offer was selected.

Therefore, we inform that the contract will be awarded to the company whose offer met all formal and technical requirements specified in Request for Quotation No. 01/07/2025, obtained the highest number of points according to the adopted evaluation criterion - the gross price of the subject of the order – and was considered the most advantageous.

SELECTED CONTRACTOR:

Plastion Paweł Ciborski

ul. Aleja Dębów 29, 87-124 Kopanino, Poland

OFFERED PRICE FOR THE SUBJECT OF THE ORDER:

Net price: PLN 164,000.00

Gross price: PLN 201,720.00
